AUTHOR INDEX—VOLUME 83, 1995

Principal author entries are in **boldface**, with coauthor cross-references in standard typeface. Titles of books, journals, and software are in *italics*.

Accart, Jean-Philippe
The Medical Library and Medical Center of Keio University in Tokyo: report on a visit, 91–2

Alexander, Kathey *see* **Sekerak, Robert J.**

Alloro, Giovanna *see* **Ugolini, Donatella**

Arnesen, Stacey J. *see* **Dutcher, Gale A.**

Ash, Joan
The impact of IAIMS on the work of information experts, 455–60
see also **Gorman, Paul**

Ayers, William R.
Remarks delivered at memorial service [for Helen E. Bagdoyan], Ignatius Loyola Chapel, Georgetown University School of Medicine, February 9, 1995 [obituary], 388

Bader, Susan Gerding *see* **Eldredge, Jonathan**

Baster, Andrew
The gist of Professor Kronick's article [letter], 251

Bastille, Jacqueline D. *see* **Schneider, Elizabeth**

Besson, Alain
PARADIGM: the annotated index of hospital epidemiology literature [review], 116–7

Bianchi, Nancy A. *see* **Sekerak, Robert J.**

Bleeker, Ans *see* **Volkers, Aloysius C. W.**

Boerma, Edzard J. *see* **Verhoeven, Anita A. H.**

Boilard, David W.
Library without walls: plug in and go compiled and edited by Susan B. Ardis [review], 106–8
Mastering information in the new century by Marvin J. Cetron and Owen Davies [review], 106–8

Bouchard, Celia *see* **McFarland, Mary Ann**

Bowden, Virginia Massey; Olivier, Evelyn R.
The first professional position: expectations of academic health sciences library employers, 238–9

Bowen, Denise M. *see* **Gravois, Sharon L.**

Brandon, Alfred N.; Hill, Dorothy R.
Selected list of books and journals for the small medical library, 151–75

Broering, Naomi C.
Helen E. Bagdoyan, 1935–1994 [obituary], 387
Highlighting international health sciences librarianship: introduction, 65

Brown, Nancy A. *see* **Perednia, Douglas A.**

Buchanan, Bruce G. *see* **Lowe, Henry J.**

Burton, Judith Elizabeth
The impact of medical libraries and literature on patient care in New Zealand, 425–30

Byrd, Gary D.; Squires, Steven J.
Proceedings, Ninety-Fourth Annual Meeting, MLA [ed.], 118–46

Campbell, Jayne M. *see* **Stephens, Patricia A.**

Campbell, Joan
Wilma A. Troxel, 1906–1994 [obituary], 389–90

Carle, Daria O.
A longitudinal study of Associates at the National Library of Medicine, 1957–1990, 275–9

Clintworth, William A.
Helen E. Bagdoyan, 1935–1994 [obituary], 388

Cooper, Gregory F. *see* **Lowe, Henry J.**

Crocker, Shelli R. *see* **Pace, Cheryl S.**

Cunningham, Diana
The organizational question: informatics and information management in the academic health sciences center [editorial], 102–3

Curry, David *see* **Kienzle, Michael**

Dee, Cheryl R.
Accessing medical information from a desert island with telephone service: how to get and organize the information you need to practice most effectively by Marc Ringel [review], 108–9

Dimitroff, Alexandra
Educational services in health sciences libraries: a content analysis of the literature, 1987–1994, 420–4
Introduction to reference sources in the health sciences, 3d ed. by Fred W. Roper and Jo Anne Boorkman [review], 105–6

Dutcher, Gale A.; Arnesen, Stacey J.
Developing a subject-specific Gopher at the National Library of Medicine, 228–33

Eldredge, Jonathan; Bader, Susan Gerding
Core collection of medical books and journals, 2d ed. compiled by Howard Hague [review], 523–4

Fisher, Clarissa C. *see* **Francis, Barbara W.**

Fisher, William *see* **Gravois, Sharon L.**

Flannery, Melinda Reagor
Cataloging Internet resources, 211–15

Foote, Steven M.
An architect's perspective on contemporary academic library design, 351–6

Francis, Barbara W.; Fisher, Clarissa C.
Multilevel library instruction for emerging nursing roles, 492–8

Franken, Edmund A., Jr. *see* **Kienzle, Michael**

Friesen, Betsy *see* **Makinen, Ruth H.**

Fuller, Sherrilynne S.
Internet connectivity for hospitals and hospital libraries: strategies, 32–6

Fulton, June H.
Top eight toward '98 [presidential address], 119–24

Funk, Carla J.
Report of the executive director, 137–40

Futrelle, Diane
Radiologic anatomy [review], 115

Gallagher, Kathy *see* **McFarland, Mary Ann**

Galvin, Jeffrey *see* **Kienzle, Michael**

Ginn, David S. *see* **Schilling, Katherine**

Gorman, Paul; Ash, Joan; Wykoff, Leslie
Authors' response to "Why Is Financial Cost a Deterrent to Searching?" [letter], 101

Gravois, Sharon L.; Fisher, William; Patrick, Silvia Cantaluppi; Bowen, Denise M.
Information-seeking practices of dental hygienists, 446–52

Greenwood, M. R. C.
Twenty-first-century science, 8–13

Groen, Frances
Commitment and concern: the Sixtieth Annual International Federation of Library Associations and Institutions meeting, Havana, Cuba, August 1994 [editorial], 365–6

Hahn, Karla *see* **Layton, Beth**

Hall, Ellen
Highlighting emerging roles and enduring values: information management in nursing education. Introduction, 490–1

Hall, Ellen F.
Physical therapists in private practice: information sources and information needs, 196–201

Harbourt, Anna M.; Knecht, Lou S.; Humphreys, Betsy L.
Structured abstracts in MEDLINE, 1989–1991, 190–5

Helms, Mary E. *see* **Satterthwaite, Rebecca K.**

Hill, Dorothy R. *see* **Brandon, Alfred N.**

Hodges, T. Mark
Technical scale and high-level detail: Vanderbilt's award-winning Eskind Biomedical Library, 333–44

Hoffman, Eric *see* **Kienzle, Michael**

Hollander, Sue M.; Lanier, Don
Orientation to the Internet for primary care health professionals, 96–8

Holt, Mary C.
From task force to statute: establishing health sciences libraries in state law as a component of the health care system, 431–5

Holtum, Edwin *see* **Kienzle, Michael**

Hulbert, Linda A.
Guide to selecting and acquiring CD-ROMs, software and other electronic publications by Stephen Bosch, Patricia Promis, and Chris Sugnet [review], 109–10
Selection and evaluation of electronic resources by Gail K. Dickinson [review], 109–10

Humphreys, Betsy L. *see* **Harbourt, Anna M.**

Keenan, Paul *see* **Montgomery, Carol Hansen**

Kienzle, Michael; Curry, David; Franken, Edmund A., Jr.; Galvin, Jeffrey; Hoffman, Eric; Holtum, Edwin; Shope, Lee; Torner, James; Wakefield, Douglas
Iowa's National Laboratory for the Study of Rural Telemedicine: a description of a work in progress, 37–41

Klein, Michele S.
Why is financial cost a deterrent to searching? [letter], 101

Knecht, Lou S. *see* **Harbourt, Anna M.**

Krash, Paul *see* **McFarland, Mary Ann**

Kronick, David A.
Response to "The Gist of Professor Kronick's article [letter], 251

Lanier, Don *see* **Hollander, Sue M.**

Layton, Beth; Hahn, Karla
The librarian as a partner in nursing education, 499–502

Lindberg, Donald A. B.
Building the national health information infrastructure: introduction, 28
Building the national health information infrastructure: the role of high-performance computing and communications [symposium editor], 27–64
HPCC and the national health information infrastructure: an overview, 29–31

Lipscomb, Carolyn E.
Applying knowledge and skills: new directions [symposium editor], 453–89
Applying knowledge and skills: new directions. Introduction, 454

SUBJECT INDEX—VOLUME 83, 1995

Subject headings are in **boldface**, with cross-references in standard typeface. Titles of books, journals, and software are in *italics*. The first author's last name is in parentheses. See Author Index for full author reference.

Abstracts
Structured abstracts in MEDLINE, 1989–1991 (Harbourt), 190–5

Accreditation, hospital
Selected list of books and journals for the small medical library (Brandon), 151–75
Strengthening the links between health sciences information users and providers (Silverstein), 407–18

Acquired immunodeficiency syndrome
Assessing the information needs of non-institutionally affiliated AIDS service organizations in Texas (Huber), 240–3
Developing a subject-specific Gopher at the National Library of Medicine (Dutcher), 226–33

Acquisitions and collection development
Building and maintaining a library Gopher: traditional skills applied to emerging resources (Riley), 221–7
Developing a health sciences library Gopher: more involved than meets the eye (McFarland), 216–20
Developing a subject-specific Gopher at the National Library of Medicine (Dutcher), 226–33
Practical library research: a tool for effective library management (Schneider), 22–6
Selected list of books and journals for the small medical library (Brandon), 151–75

Administration, library
The organizational question: informatics and information management in the academic health sciences center (Cunningham) [editorial], 102–3
Practical library research: a tool for effective library management (Schneider), 22–6

AIDS *see* **Acquired immunodeficiency syndrome**

Annual Meeting Grant *see* **EBSCO/MLA Annual Meeting Grant**

Apartheid
From apartheid to integration: the role of the Witwatersrand Medical Library in health care services in Johannesburg, South Africa (Myers), 71–7

Archie *see* **Internet**

Architecture and buildings
An architect's perspective on contemporary academic library design (Foote), 351–6
Building a digital library for the health sciences: information space complementing information place (Lucier), 346–50
Building the information frontier: new libraries (Ludwig, ed.) [symposium], 305–56
Building the information frontier: new libraries. Introduction (Ludwig), 306
The building-planning process: tips from the UMAB experience (Weise), 315–21
Ergonomics in the electronic library (Thibodeau), 322–9
From brick face to cyberspace (McClure), 311–14
Health sciences library building projects: 1994 survey (Ludwig), 202–8
A new hospital library: a marketing opportunity (Walker), 330–2
Technical scale and high-level detail: Vanderbilt's award-winning Eskind Biomedical Library (Hodges), 333–44
Tomorrow's library: will it all be infrastructure? (Logan), 307–10
Vanderbilt University Medical Center, Annette and Irwin Eskind Biomedical Library [cover illustration], July, v

Area Health Education Centers (AHEC)
From task force to statute: establishing health sciences libraries in state law as a component of the health care system (Holt), 431–5

Association of Academic Health Sciences Library Directors
MLA and AAHSLD testimony on *Intellectual Property and the National Information Infrastructure* (McClure) [editorial], 252–3

Award for Excellence and Achievement in Hospital Librarianship
Markwell, Linda Garr, recipient, 125

Bagdoyan, Helen E.
Obituary (Broering), 387
Obituary (Clintworth), 388
Remarks delivered at memorial service, Ignatius Loyola Chapel, Georgetown University School of Medicine, February 9, 1995 (Ayers) [obituary], 388

Banks, Ronald
MLA Scholarship, recipient, 124

Behavior
The Human Genome Project: ethical and social implications (Murray), 14–21

Bibliographic instruction *see* **Information management education**

Bibliographic verification
Librarians contract to provide bibliographic support for a new medical text (Sekerak), 93–5

Bibliographies
Selected list of books and journals for the small medical library (Brandon), 151–75

Bibliometrics *see* **Citation analysis**

Book reviews
Accessing medical information from a desert island with telephone service: how to get and organize the information you need to practice most effectively by Marc Ringel (Dee), 108–9
AIDS and HIV programs and services for libraries by W. Bernard Lukenbill (Horne), 255–6
A bibliography of medical and biomedical biography, 2d ed. by Leslie T. Morton and Robert J. Moore (Martin, P.), 524–5
Collection management and development: issues in an electronic era edited by Peggy Johnson and Bonnie MacEwan (Morse), 258–60
The consumer health information source book, 4th ed. edited by Alan M. Rees (Schneider), 521–2
Consumer health USA: essential information from the Federal Health Network edited by Alan M. Rees (Schneider), 521–2
Core collection of medical books and journals, 2d ed. compiled by Howard Hague (Eldredge), 523–4
Doody's health sciences book review annual, 1993 (Wrynn), 254–5
Doody's rating service: a buyer's guide to the 250 best health sciences books, 1993 (Wrynn), 254–5
Guide to selecting and acquiring CD-ROMs, software and other electronic publications by Stephen Bosch, Patricia Promis, and Chris Sugnet (Hulbert), 109–10
Health industry quicksource: a complete descriptive reference to health care information resources (Marshall), 522–3
Healthcare standards 1995 (Marshall), 522–3
The Internet library: case studies of library Internet management and use edited by Julie Still (Albright), 256–7
The Internet troubleshooter: help for the logged-on and lost (Albright), 256–7
Introduction to reference sources in the health sciences, 3d ed. by Fred W. Roper and Jo Anne Boorkman (Dimitroff), 105–6
Librarians on the Internet: impact on reference services edited by Robin Kinder (Riley), 375–7
Libraries and copyright: a guide to copyright law in the 1990s by Laura N. Gasaway and Sarah K. Wiant (McClure), 374–5
Library without walls: plug in and go compiled and edited by Susan B. Ardis (Boilard), 106–8
Managed care desk reference: the complete guide to terminology and resources by Marianne F. Fazen (Volesko), 110–11
Mastering information in the new century by Marvin J. Cetron and Owen Davies (Boilard), 106–8
National directory of AIDS care, 1994-95, 5th ed. Edited by Lori Hullfish and Kathy Wolden (Wansor), 377–8
Order out of chaos: John Shaw Billings and America's coming of age by Carleton B. Chapman (Meyerhoff), 378–80
Organizational aspects of health informatics: managing technological change by Nancy M. Lorenzi and Robert T. Riley (Singarella), 372–4
Reference and information services in health sciences libraries edited by M. Sandra Wood (Smith), 104–5
Reference services planning in the 90s edited by Gail Z. Eckwright and Lori M. Keenan (Shellabarger), 257–8
Selection and evaluation of electronic resources by Gail K. Dickinson (Hulbert), 109–10

Books
Librarians contract to provide bibliographic support for a new medical text (Sekerak), 93–5

Books and serials received, 112, 263, 383, 526

Bradley, Jana
Jana Bradley, Ph.D., Medical Library Association President, 1995–1996 (Messerle) [president's page], 369–71

Brandon/Hill list *see* **Bibliographies**

Broering, Naomi C.
Fellowship, recipient, 125

Buildings *see* **Architecture and buildings**

Bulletin boards, electronic
Facilitating faculty communications using an electronic bulletin board to store and organize listserv messages (Montgomery)

Career change
The application of health sciences library skills in other settings (Snape), 473–7

Carpal tunnel syndrome *see* **Repetitive stress injuries**

Cataloging and classification
Cataloging Internet resources (Flannery), 211–15
Developing a health sciences library Gopher: more involved than meets the eye (McFarland), 216–20
Developing a subject-specific Gopher at the National Library of Medicine (Dutcher), 226–33
Enhancing online bibliographic records to improve retrieval of reference collection monographs (Makinen), 244–6
Catalogs, library
Enhancing online bibliographic records to improve retrieval of reference collection monographs (Makinen), 244–6
Implementing hospital library automation: the GaIN project (Rankin), 286–93
A low-vision workstation for online catalog access: empowering persons with visual disabilities (Nelson), 247–8
CD-ROM

Honors and awards, 124–6
Inaugural address (Roper), 140–4
Janet Doe Lecture, 130
John P. McGovern Lecture, 124
National Library of Medicine update session, 130–1
Plenary sessions, 124, 130, 134, 145
Postconference symposium, 145–6
Poster sessions, 131–2, 134–6
Preconference activities, 118
Presidential address (Fulton), 119–24
Section programs, 130, 132–4, 144–5
Medical records
Building a medical multimedia database system to integrate clinical information: an application of high-performance computing and communications technology (Lowe), 57–64
Design and implementation of the Indianapolis Network for Patient Care and Research (Overhage), 48–56
Medicine in art
Emergency Room (Perez) [cover illustration], April, v
MEDLINE
End-user search behaviors and their relationship to search effectiveness (Wildemuth), 294–304
Librarians contract to provide bibliographic support for a new medical text (Sekerak), 93–5
Multiple usage of the CD PLUS/UNIX system: performance in practice (Volkers), 436–9
Structured abstracts in MEDLINE, 1989–1991 (Harbourt), 190–5
Meta-analysis
Librarian participation in meta-analysis projects (Mead), 461–4
Metathesaurus *see* **Unified Medical Language System (UMLS)**
Mexico
A descriptive study of ninety-two hospital libraries in Mexico (Macias-Chapula), 66–70
Minority Scholarship Award
Hua Yi, recipient, 124
Moore, Mary
MLA Doctoral Fellowship, recipient, 124
Rittenhouse Award, recipient, 125
Morton, Leslie Thomas
Honorary membership, MLA, recipient, 126
Mosaic *see* **World Wide Web**
Multimedia
Building a medical multimedia database system to integrate clinical information: an application of high-performance computing and communications technology (Lowe), 57–64
Murray Gottlieb Prize *see* **Gottlieb, Murray, Prize**
National Library of Medicine
Developing a subject-specific Gopher at the National Library of Medicine (Dutcher), 226–33
HPCC and the National Information Infrastructure: an overview (Lindberg), 29–31
The idea of the library in the twenty-first century (Matheson), 1–7
A longitudinal study of Associates at the National Library of Medicine, 1957–1990 (Carle), 275–9
Twenty-first-century science (Greenwood), 8–13

National Network of Libraries of Medicine, Pacific Northwest Region
Online SERHOLD updating for the Pacific Northwest (Press), 512–14
Nelson, Kenneth
EBSCO/MLA Annual Meeting Grant, recipient, 124
Netherlands
Multiple usage of the CD PLUS/UNIX system: performance in practice (Volkers), 436–9
Use of information sources by family physicians: a literature survey (Verhoeven), 85–90
New Zealand
The impact of medical libraries and literature on patient care in New Zealand (Burton), 425–30
Noyes, Marcia C., Award
Love, Erika, recipient, 126
Nursing informatics
Emerging roles and enduring values: information management in nursing education (Hall), 490–1
Multilevel library instruction for emerging nursing roles (Francis), 492–8
Obituaries
Bagdoyan, Helen E., 1935–1994 (Broering), 387
Bagdoyan, Helen E., 1935–1994 (Clintworth), 388
Bagdoyan, Helen E. Remarks delivered at memorial service, Ignatius Loyola Chapel, Georgetown University School of Medicine, February 9, 1995 (Ayers), 388
Crawford, Helen, 1906–1994 (Holtz), 267–9
Patruno, John, Jr., 1948–1994 (Matheson), 269–70
Troxel, Wilma A., 1906–1994, 389–90
Occupational health and safety
Ergonomics in the electronic library (Thibodeau), 322–9
Online bibliographic searching *see* **Database searching**
Online catalogs *see* **Catalogs, library**
Organizational change
The organizational question: informatics and information management in the academic health sciences center (Cunningham) [editorial], 102–3
Osborn, June E.
John P. McGovern Lectureship, award recipient, 124
Outcome assessment (health care)
Design and implementation of the Indianapolis Network for Patient Care and Research (Overhage), 48–56
Outreach *see* **Information access**
Patient education
The impact of medical libraries and literature on patient care in New Zealand (Burton), 425–30
Patruno, John, Jr.
Obituary (Matheson), 269–70
Personal files management
Citation analysis of faculty publication: beyond *Science Citation Index* and *Social Science Citation Index* (Reed), 503–8
Physical therapy
Physical therapists in private practice: information sources and information needs (Hall), 196–201
Physician-patient relations
Integration of information-seeking skills and activities into a problem-based curriculum (Schilling), 176–83
Physicians
How physicians and biomedical scientists in India learn information-seeking skills (Schwartz), 360–2
The impact of medical libraries and literature on patient care in New Zealand (Burton), 425–30
Physicians, family
Medical education and faculty development: a new role for the health sciences librarian (Schwartz), 483–9
Orientation to the Internet for primary care health professionals (Hollander), 96–8
Use of information sources by family physicians: a literature survey (Verhoeven), 85–90
Picture archiving and communication systems
Building a medical multimedia database system to integrate clinical information: an application of high-performance computing and communications technology (Lowe), 57–64
Planning
An architect's perspective on contemporary academic library design (Foote), 351–6
The building-planning process: tips from the UMAB experience (Weise), 315–21
A new hospital library: a marketing opportunity (Walker), 330–2
Pomerantz, Karen
MLA Continuing Education Award, recipient, 124
Prescriptions, drug
Design and implementation of the Indianapolis Network for Patient Care and Research (Overhage), 48–56
Presidential address
Top eight toward '98 (Fulton), 119–24
President's page
Jana Bradley, Ph.D., Medical Library Association President, 1995–1996 (Messerle), 369–71
Primary health care providers
Orientation to the Internet for primary care health professionals (Hollander), 96–8
Problem-based learning *see* **Problem solving**
Problem solving
Integration of information-seeking skills and activities into a problem-based curriculum (Schilling), 176–83
Library faculty role in problem-based learning: facilitating small groups (Satterthwaite), 465–8
The role of health sciences librarians in the teaching and retention of the knowledge, skills, and attitudes of lifelong learning (McGowan), 184–9
Professional practice
Information-seeking practices of dental hygienists (Gravois), 446–52
Internet connectivity for hospitals and hospital libraries: strategies (Fuller), 32–6
The role of health sciences librarians in the teaching and retention of the knowledge, skills, and attitudes of lifelong learning (McGowan), 184–9
Teledermatology: one application of telemedicine (Perednia), 42–7
Project management
The building-planning process: tips from the UMAB experience (Weise), 315–21
Public relations
A new hospital library: a marketing opportunity (Walker), 330–2
Publishing
Citation analysis of faculty publication: beyond *Science Citation Index* and *Social Science Citation Index* (Reed), 503–8
Educational services in health sciences libraries: a content analysis of the literature, 1987–1994 (Dimitroff), 420–4
Librarians contract to provide bibliographic support for a new medical text (Sekerak), 93–5
Questionnaires
Assessing the information needs of non-institutionally affiliated AIDS service organizations in Texas (Huber), 240–3
Information-seeking practices of dental hygienists (Gravois), 446–52
see also **Data collection**
Radiology information systems
Building a medical multimedia database system to integrate clinical information: an application of high-performance computing and communications technology (Lowe), 57–64
Rankin, Jocelyn
Eliot Prize, recipient, 125
Red Sage Project
Building a digital library for the health sciences: information space complementing information place (Lucier), 346–50
Reference books
Enhancing online bibliographic records to improve retrieval of reference collection monographs (Makinen), 244–6
Reference services *see* **Information services**
Regional medical library network *see* **National Network of Libraries of Medicine**
Repetitive stress injuries
Ergonomics in the electronic library (Thibodeau), 322–9
Research
Educational services in health sciences libraries: a content analysis of the literature, 1987–1994 (Dimitroff), 420–4
Librarian participation in meta-analysis projects (Mead), 461–4
Practical library research: a tool for effective library management (Schneider), 22–6
Top eight toward '98 (Fulton) [presidential address], 119–24
Research methods
A systematic approach to finding answers over the Internet (Potter), 280–5
Resource sharing
Thoughts on cooperation among biomedical libraries in Genoa, Italy (Ugolini), 357–9
Rittenhouse Award
Moore, Mary, recipient, 125
Rogers, Frank Bradway, Information Advancement Award
Start, Nancy, recipient, 125
Rural health
Iowa's National Laboratory for the Study of Rural Telemedicine: a description of a work in progress (Kienzle), 37–41
Teledermatology: one application of telemedicine (Perednia), 42–7
Salaries and fringe benefits
Top eight toward '98 (Fulton) [presidential address], 119–24
Scholarship awards
Banks, Ronald, recipient, 124
Hua Yi, recipient, 124

Schools, medical
From apartheid to integration: the role of the Witwatersrand Medical Library in health care services in Johannesburg, South Africa (Myers), 71–7
"Librarian for hire": contracting a librarian's services to external departments (Schatz), 469–72
Science
Twenty-first-century science (Greenwood), 8–13
Self-service searching
Delivering medical information to the desktop: the UIC GRATEFUL-MED-via-the Internet experience (Martin, E.), 402–6
End-user search behaviors and their relationship to search effectiveness (Wildemuth), 294–304
How physicians and biomedical scientists in India learn information-seeking skills (Schwartz), 360–2
Multiple usage of the CD PLUS/UNIX system: performance in practice (Volkers), 436–9
Reference librarians' perceptions and use of Internet resources: results of a survey of academic health sciences libraries (Schilling), 509–12
see also **Database searching**
Serials
The gist of Professor Kronick's article (Baster) [letter], 251
Implementing hospital library automation: the GaIN project (Rankin), 286–93
Online SERHOLD updating for the Pacific Northwest (Press), 512–14
Practical library research: a tool for effective library management (Schneider), 22–6
Response to "The Gist of Professor Kronick's Article" (Kronick) [letter], 251
Structured abstracts in MEDLINE, 1989–1991 (Harbourt), 190–5
Testing Orr's document delivery test on biomedical journals in South Africa (Steynberg), 78–84
Thoughts on cooperation among biomedical libraries in Genoa, Italy (Ugolini), 357–9
Social change
From apartheid to integration: the role of the Witwatersrand Medical Library in health care services in Johannesburg, South Africa (Myers), 71–7
Social facilitation
Library faculty role in problem-based learning: facilitating small groups (Satterthwaite), 465–8
Societies
The gist of Professor Kronick's article (Baster) [letter], 251
Response to "The Gist of Professor Kronick's Article" (Kronick) [letter], 251
Software reviews
Clinical pharmacology: an electronic drug reference and teaching guide (Persily), 384
Environment periodicals bibliography on CD-ROM (EBCD) (Myles), 264
PARADIGM: the annotated index of hospital epidemiology (Besson), 116–7
Radiologic anatomy (Futrelle), 115
SilverPlatter's electronic reference library (Pace), 529–30
South Africa
From apartheid to integration: the role of the Witwatersrand Medical Library in health care services in Johannesburg, South Africa (Myers), 71–7
Testing Orr's document delivery test on biomedical journals in South Africa (Steynberg), 78–84
Space planning *see* **Architecture and buildings**
Staff development
Ergonomics in the electronic library (Thibodeau), 322–9
The first professional position: expectations of academic health sciences library employers, 238–9
Staff recruitment
The first professional position: expectations of academic health sciences library employers, 238–9
Standards
Strengthening the links between health sciences information users and providers (Silverstein), 407–18
Start, Nancy
Frank Bradway Rogers Information Advancement Award, recipient, 125
State health plans
From task force to statute: establishing health sciences libraries in state law as a component of the health care system (Holt), 431–5
Steuernagel, Harriet
Fellowship, recipient, 126
Stoddart, Joan
MLA Continuing Education Award, recipient, 124
Subject headings
Structured abstracts in MEDLINE, 1989–1991 (Harbourt), 190–5
Survey methods *see* **Data collection**
Surveys *see* **Library Surveys; Questionnaires**
Sydelko, Bette
EBSCO/MLA Annual Meeting Grant, recipient, 124
Systems analysis
Multiple usage of the CD PLUS/UNIX system: performance in practice (Volkers), 436–9
Task performance and analysis
The application of health sciences library skills in other settings (Snape), 473–7
The impact of IAIMS on the work of information experts (Ash), 455–60
"Librarian for hire": contracting a librarian's services to external departments (Schatz), 469–72
Librarian participation in meta-analysis projects (Mead), 461–4
Library faculty role in problem-based learning: facilitating small groups (Satterthwaite), 465–8
Medical education and faculty development: a new role for the health sciences librarian (Schwartz), 483–9
Taylor, Madeline
Fellowship, recipient, 126
Telemedicine
Building a medical multimedia database system to integrate clinical information: an application of high-performance computing and communications technology (Lowe), 57–64
Iowa's National Laboratory for the Study of Rural Telemedicine: a description of a work in progress (Kienzle), 37–41
Teledermatology: one application of telemedicine (Perednia), 42–7
Texas Medical Association Library
Health sciences library building projects: 1994 survey (Ludwig), 202–8
Time and motion studies
Multiple usage of the CD PLUS/UNIX system: performance in practice (Volkers), 436–9
Toxicology
Developing a subject-specific Gopher at the National Library of Medicine (Dutcher), 226–33
Troxel, Wilma A.
Obituary (Campbell), 389–90
Unified Medical Language System (UMLS)
Building a medical multimedia database system to integrate clinical information: an application of high-performance computing and communications technology (Lowe), 57–64
University of California at San Francisco
Building a digital library for the health sciences: information space complementing information place (Lucier), 346–50
University of Maryland at Baltimore
The building-planning process: tips from the UMAB experience (Weise), 315–21
Use studies
End-user search behaviors and their relationship to search effectiveness (Wildemuth), 294–304
The impact of medical libraries and literature on patient care in New Zealand (Burton), 425–30
Multiple usage of the CD PLUS/UNIX system: performance in practice (Volkers), 436–9
Practical library research: a tool for effective library management (Schneider), 22–6
Reference librarians' perceptions and use of Internet resources: results of a survey of academic health sciences libraries (Schilling), 509–12
Strengthening the links between health sciences information users and providers (Silverstein), 407–18
Testing Orr's document delivery test on biomedical journals in South Africa (Steynberg), 78–84
User education *see* **Information management education**
Vanderbilt University Medical Center, Annette and Irwin Eskind Biomedical Library
Technical scale and high-level detail: Vanderbilt's award-winning Eskind Biomedical Library (Hodges), 333–44
Veronica *see* **Internet**
Virtual library
The idea of the library in the twenty-first century (Matheson), 1–7
Iowa's National Laboratory for the Study of Rural Telemedicine: a description of a work in progress (Kienzle), 37–41
Vision disorders
A low-vision workstation for online catalog access: empowering persons with visual disabilities (Nelson), 247–8

Voluntary health agencies
Assessing the information needs of non-institutionally affiliated AIDS service organizations in Texas (Huber), 240–3
World Wide Web *see* **Internet**

Writing
Scientific writing and editing: a new role for the library (Stephens), 478–82
Xiaohong Gu
Cunningham Memorial International Fellowship, recipient, 124–5

Zinn, Nancy Whitten
Louise Darling Medal, recipient, 125

Carolyn G. Weaver, Indexer
Bellevue, Washington
